

**Open Rank Faculty Openings**  
**Department of Industrial Engineering and Engineering Management**  
**National Tsing Hua University, Hsinchu, Taiwan**

Department of Industrial Engineering & Engineering Management at National Tsing Hua University is the top IE department in Taiwan. The department invites applications for several tenured/tenure-/non-tenure-track faculty positions. A Ph.D. degree or Ph.D. candidacy in related field(s) is required. The level of appointment will be commensurate with the qualifications of the applicant.

Candidates are sought with interests that complement and expand upon current research and teaching activities in the department. Cross-disciplinary areas are particularly welcome. Research areas of interest include, but are not limited, to: design, ergonomics, energy management, sustainability, global logistics, healthcare, and service management. In addition to research, successful candidates are expected to have a strong commitment to teaching courses in both Chinese and English.

The positions will remain open until filled; however, applications should be received by September 30 (Spring 2015) and December 31 (Fall 2015) to ensure full consideration.

Please submit application materials in electronic version containing: 1) A curriculum vitae with a publication list; 2) Statements of research & teaching interests/objectives clearly indicating the research area(s) and courses/levels to offer; 3) A transcript for graduate studies; and 4) Three recommendation letters, to

Prof. Chih-Hsing Chu, Chair, Faculty Search Committee
